hello@25northyachts.com

Overview.

A 53-foot Galeon 500 Fly, HUMMINGBIRD is one of the most innovative flybridge yachts in her class — designed to entertain, built to transform, and based at River Landing Shops & Marina in the heart of Miami.

Her signature feature is Beach Mode: fold-down balconies on both sides of the cockpit that drop away to expand the aft deck to nearly twenty feet of open, water-level living space. Combined with full-height sliding salon doors, the entire main deck opens to the sea.

Above, the flybridge carries a second helm, a full wet bar with grill and refrigeration, a sun pad spanning the full beam, and a carbon hardtop with electric sunroof. Forward, a transformable bow lounge converts from sun pad to seating at the touch of a button.

Below, three cabins — a full-beam master, a forward VIP with overhead skylights, and a twin guest cabin — sleep six overnight across two and a half marble-and-Corian heads. With a top speed near 30 knots, HUMMINGBIRD crosses Biscayne Bay in minutes and clears the Gulf Stream to Bimini in under three hours.

She is captained by a USCG-licensed master and supported by a professional stewardess — discreet, prepared, and never in the way.

Key features

NOTE

HUMMINGBIRD is available for day and term charters from her home base at River Landing Shops & Marina, Miami. Day-trip range includes Key Biscayne, Stiltsville, Nixon Beach, and the Bahamas. Extended charters available across the Florida Keys and the Bahamas.

Cruising grounds.

From her home berth at River Landing, HUMMINGBIRD reaches Miami's most coveted anchorages within minutes, and the western Bahamas within hours. Below, itineraries representative of how guests charter the vessel today.

Day Charter — Miami

Departure from River Landing, cruise to Key Biscayne and Stiltsville, anchor at Nixon Beach sandbar, sunset return.

Day Charter — Bahamas Crossing

Early departure to Bimini via the Gulf Stream, lunch and swimming at Honeymoon Harbour, return same evening.

Long Weekend — Florida Keys

Three-night itinerary: Miami to Key Largo, Islamorada, and Marathon, with daily snorkeling and shoreside dining.

Term Charter — The Bahamas

Seven-night route: Miami to Bimini, the Berry Islands, and the Abacos chain.

Every charter is built around how you want the day to feel — not a fixed itinerary.

Chartering HUMMINGBIRD.

Day Charter

A single day, done properly. Departure from River Landing between four and eight hours, with itineraries built around Key Biscayne, the Stiltsville flats, Nixon Beach sandbar, or a Gulf Stream crossing to Bimini. Captain, stewardess, and route planning included.

RATES

Four hours	\$3,000
Six hours	\$4,000
Eight hours	\$5,500

Fuel, dockage, and gratuity not included. Provisioning available on request.

Term Charter

Multi-night charters from three to seven nights, with the Bahamas and Florida Keys as natural anchorages. Six guests overnight across three cabins. The crew handles provisioning, route planning, shore-side reservations, and the small logistics that make the difference between a trip and a charter.

RATES

Inquire for term charter rates.

Pricing varies by season, itinerary, and duration.
